APRA has the same meaning as in the *Insurance Act 1973*.

11

12

13

APRA's financial claims scheme costs for a general insurer in relation to which Division 3 of Part VC of the *Insurance Act 1973* applies or applied means the sum of:

14

15

16

- (a) entitlements under that Division relating to the insurer; and
- (b) the costs of the following:
 - (i) the administration of that Part in relation to the insurer;

- 1 (ii) the exercise of APRA's powers under that Part in
2 relation to the insurer;
3 (iii) the performance of APRA's functions under that Part in
4 relation to the insurer; and
5 (c) the costs of any borrowing under section 54E of the
6 *Australian Prudential Regulation Authority Act 1998*
7 connected with the application of that Division in relation to
8 the insurer.

9 **general insurer** has the same meaning as in the *Insurance Act*
10 *1973*.

11 **levy** means levy imposed under this Act.

12 **4 Regulations may impose levies**

- 13 (1) In connection with the application of Division 3 of Part VC of the
14 *Insurance Act 1973* in relation to a general insurer, the regulations
15 may impose levy on the gross premiums received by general
16 insurers in a class prescribed by the regulations, in a financial year
17 or other 12-month accounting period used instead of a financial
18 year.
19 (2) The regulations must prescribe the class so as to exclude all
20 general insurers in relation to which that Division applies.

21 **5 Amount of levy**

- 22 (1) The amount of levy is the amount worked out in accordance with
23 the regulations.
24 (2) However, the amount of levy on the gross premiums received by a
25 general insurer cannot be more than 5% of the amount, worked out
26 in accordance with the regulations, of those gross premiums.
27 (3) The regulations may prescribe:
28 (a) different ways of working out for the purposes of
29 subsection (1) the amount of levy on gross premiums
30 received by general insurers in different classes prescribed by
31 the regulations; and

Section 6

- 1 (b) different ways of working out for the purposes of
2 subsection (2) the amounts of gross premiums received by
3 general insurers in different classes prescribed by the
4 regulations.

5 **6 Regulations**

- 6 (1) The Governor-General may make regulations prescribing matters
7 required or permitted by this Act to be prescribed.
- 8 (2) Before the Governor-General makes a regulation affecting the
9 imposition or amount of a levy connected with the application of
10 Division 3 of Part VC of the *Insurance Act 1973* in relation to a
11 general insurer, the Minister must be satisfied the regulation will
12 help achieve the objective in subsection (3) of this section.
- 13 (3) The objective is that the total amount of levy connected with the
14 application of that Division in relation to the insurer equal the
15 excess of APRA's financial claims scheme costs for the insurer
16 over the sum of amounts paid to APRA by the insurer in
17 connection with that Part or in the winding up of the insurer.
